**Practice Groups**  
• **Dispute Resolution and Insolvency**

Palak possesses a diverse range of expertise covering various legal domains. Her substantial experience lies in handling intricate **commercial and transactional disputes and crafting comprehensive strategies for dispute resolution**. She has effectively represented prominent **conglomerates, financial institutions, both Indian and multinational corporations (including listed entities), and other clients**. Her practice encompasses a wide array of domestic and international disputes.

Her proficiency extends to **advising and representing clients in insolvency-related conflicts, overseeing commercial enforcement proceedings, managing arbitration cases, addressing contractual disputes, interpreting government policies, handling insurance-related disagreements, overseeing class action suits, and navigating a spectrum of banking and finance disputes**.

Palak's knowledge also encompasses areas such as **banking fraud, anti-money laundering regulations, white-collar crimes, investigations by regulatory bodies, and domestic arbitration** cases.

Palak is highly regarded among clients for her expertise, approachability, and quick turnaround. She also regularly handles arbitrations (ad hoc and institutional) and has **appeared before various courts in arbitration-related proceedings including urgent interim relief, award challenges, arbitrator challenges and enforcement proceedings**.

Palak has been practicing since 2017.
